

Water and Sky and I

water and sky and I
 sitting on a stone
water and sky and I
 sitting on a stone
 alone

but who is that I
 sitting on a stone
 with water and sky
and who is the dreamer
 that created man to die

water and sky and tree
 sitting on a stone
 tin can in the stream
 rusted by mercy

water and sky and I
 but who is that I
 and the clear sky

Topanga Canyon, 1971
